

WORKSHOP ON DEVELOPING ENGLISH REFERENCE MATERIAL REGARDING

“FUNCTIONAL ENGLISH”

REPORT

In the present scenario, English is the most commonly used language for expressions. Our govt.school is the only place where under privileged kids gets an opportunity and exposure to English language. Now a days English words are very well mingled in our daily used language of interaction. But still teacher is the most reliable and valuable source of English language as they do not get such atmosphere at home or in their neighbourhood.

Thus, with an objective to expose the students to the basic language skills and to help them to overcome from the hesitation of the use of English words while communicating, a five days workshop on 'Functional English' was Organised at D.I.E.T. Dehradun from 07-12-2020 to 11-12-2020. In this 22 DRG members participated. During the workshop the whole DRG (English) team was divided into five groups. Each focusing on one of the four basic language skills namely listening, speaking, reading and writing and the fifth group worked with communication skill.

The main focus of the workshop was to develop material in form of a booklet to familiarize the children with the handy vocabulary so that they could make communication through second language in meaningful, interesting and real life situation through the colorful visuals, pictures and graded content.

The whole program was conducted under the guidance of coordinator Mrs. Sunita Badoni and co- coordinator Mrs. Ritu kukreti.
